

1498

Louis XII succeeded Charles VIII
in 1498. He occupied himself
disadvantageously with Italian
affairs, although in France his
rule was popular.

In 1507, he entered Genoa.

1498

Columbus (Spain) to Venezuela.

In Florence, a riot broke out at one of Savonarola's public ceremonies. He was arrested and after allegedly confessing to being a false prophet, was convicted of heresy and schism and hanged and burned in the city's public square. By 1512, Florence was once again in Medici hands.
